COMMENTS OF THE MAYOR:

Mayor Oda thanked City workers for their efforts during snow event of over 12" that started January 24, combined with sub-zero temperatures.

COMMENTS OF DIRECTOR OF PUBLIC SERVICE AND SAFETY: Mr. Titterington noted:

-City offices will be closed February 16 for the Presidents' Day Holiday, with refuse collections on schedule.

-The semi-annual Cemetery cleanup will be held March 15-April 14, with citizens to remove any grave decorations they wish to retain before March 15.

-Regarding the snow event mentioned by the Mayor, snow removal and cleanup continues. In addition to safety forces, road crews and staff from other departments worked around the clock in 12 hour shifts for a couple of days before returning to regular shifts; while 77 tons of salt was used, with sub-zero temperatures the salt was not too effective in low traveled areas; crews started working at 11:00 p.m. on February 1 to transport large piles of snow from the downtown area to Archer Park; and the City's snow-related costs is now \$34,000 ahead of costs at this time in 2025.

-In response to Mr. Rozell, Mr. Titterington indicated he is not aware of any streets that were not addressed in some form, even if the roadway is narrow and cars were not moved. He noted that when cars are not moved from the roadway, plowing is more difficult.

COMMENTS OF MEMBERS OF COUNCIL:

-Mr. Twiss, Mr. Severt and Council President Rozell offered condolences to the family of the late Harold Hughes. Mr. Twiss noted that Mr. Hughes was employed at Lincoln Community Center for several decades, during which he worked with and had a positive impact on countless numbers of young people.

-Several members of Council thanked employees for the extra effort put forth in helping citizens and providing services during the recent heavy snow event and very cold weather.

-Mrs. Westfall asked about a response to her question posed some months ago regarding sidewalk assessments associated with the Downtown Streetscape Project. Mr. Titterington stated that a response should be provided this week.

-Ms. Hickman commented that she will be hosting an open meeting for anyone who wishes to attend on February 28 at 9:00 a.m. at 22 E. Franklin Street.

-In response to Mr. Whidden about clearing snow from hydrants, Mr. Titterington stated that all hydrant locations are on GIS mapping, but it is appreciated if snow is pushed away from hydrants.

-Mrs. Snee commented that the At-Large Council Members will host an "Ask A Council Member" discussion group on Saturday, March 7, 2026, 9:00-10:00 a.m. at the Miami County Safety Building, Commissioners' Meeting Room. That meeting will be followed by a tour of the Miami County Jail Facility for those interested.
