MEMORANDUM

TO: Mr. Lutz, President of Council

FROM: Patrick E. J. Titterington, Director of Public Service and Safety 

DATE: March 15, 2023

SUBJECT: **NOTWITHSTANDING ORDINANCE - TROY TRUCK YARD EVENT**

RECOMMENDATION:

That Troy City Council authorizes a Notwithstanding Ordinance for the Troy Truck Yard event on April 28, 2023, with such event to include the sale and consumption of alcoholic beverages (beer only).

BACKGROUND:

The Downtown Riverfront Study provided suggestions for various event opportunities that could help promote the riverfront area in general and assist in bringing people downtown. The Troy Truck Yard is a casual pop-up event, featuring music, food and beverages. A Troy Truck Yard event was held November 2, 2019, June 23, 2021 and June 22, 2022. These events have been very popular. Information regarding the April 28 event include:

- Venue - The parking lot area located on S. Walnut Street along with the closing of S. Walnut Street (from E. Main St. to E. Franklin St.). Setup would include picnic tables/chairs, portable stage, mobile toilet unit, tent and would be the responsibility of the City. This venue is in the Downtown Riverfront Study Area.
- Time - 6:00 pm to 9:00 pm.
- Music - a contract with a band is pending Council approval of the Notwithstanding Ordinance.
- Food - three food trucks have been tentatively scheduled for this event.
- Alcohol Permit - the permit would be held by the Troy Area Chamber of Commerce (TACC). The TACC will be responsible for complying with the liquor permit requirements and securing insurance.

As the alcohol sales/consumption would involve public property, enactment of a Notwithstanding Ordinance is required. Consideration of emergency legislation is requested as the application to the Ohio Division of Liquor Control must be submitted no less than 30 days prior to the event.

REQUESTED ACTION:

It would be appreciated if you would assign to a Committee of Council consideration of a Notwithstanding Ordinance for the above described event, with emergency legislation considered.
