

The Veterans Memorial was established to honor all veterans who have served or are now serving in the armed forces in service to the preservation of freedom around the world.

Located near the entrance to Riverside Cemetery, the Veterans Memorial honors the six branches of the United States military, and includes a trail of brick pavers engraved with the names of veterans. The paver program is open to community members who wish to memorialize the service of a family member, friend, or their own service.

Brick Paver Program

**Policies for Brick Pavers
at Veterans Memorial**

- Brick designations are for veterans only; any exceptions are at the discretion of the City of Troy.
- Please note that there may be a delay between ordering and placement of the paver in the memorial, to allow for group ordering and weather.
- Replacement of a damaged paver will be the responsibility of the brick purchaser. If a brick paver becomes severely damaged and the purchaser cannot be located, the paver may be removed and replaced with a blank front paver.
- While requests may be considered, the placement location of the brick pavers will be determined by the City of Troy.
- Purchase and installation of the bricks will be handled by the city.
- Three lines of fourteen characters (including spaces) may be used for the brick dedication.
- Order forms without payment cannot be processed.
- Questions should be addressed to the Cemetery Superintendent by phone at 937-335-2710 or by email at riverside.cemetery@troyohio.gov.

Order forms must be returned with \$30 cash, check, or money order payment to:
